

Lunch Symposium

Driving PD Patients’ Life
Participation: The Role of APD

Low-Glucose Strategy in APD Therapy:
A Compelling or Fanciful Synergy?

4th Sept 2025

12:45pm - 1:45pm

GRAND BALLROOM

Join us for an enriching midday session over lunch at **GRAND BALLROOM**. This insightful session will feature esteemed speakers **Dr. Jeffrey Perl** and **Dr. Yeoungjee Cho**, who will explore key advancements in peritoneal dialysis—from **empowering patients through APD to evaluating the clinical potential of low-glucose strategies**. With engaging discussions and a live Q&A, this one-hour symposium promises practical perspectives and forward-thinking strategies in renal care.
